PROFESSIONAL EXPERIENCE

A. CLINICAL

April 1998 –Present, Licensed Psychologist/Certified Mediator/Certified Addictions Professional in Private Practice, Maitland, Florida. Serving children, adolescents, and adults with specialization in child abuse, domestic violence, divorce, and trauma. Historically conducting parenting plan evaluations, psychological evaluations, and guardian ad litem services. Current focus is conflict resolution via interdisciplinary Collaborative family law process, mediation, parenting plan consultation, parenting coordination and eldercaring coordination. In addition, clinical consultations and short-term psychotherapy.

January 2001 –October 2001, Clinical Psychologist, Developmental Center of the Howard Phillips Center for Women and Children. Conducting developmental screenings of children

birth to three years of age.

September 1991 - April 1998, Licensed Psychologist, Certified County and Family Mediator at Psychological Affiliates, Inc., Winter Park, Florida. A private practice setting serving children, adolescents, and adults, with specialization in child sexual abuse, domestic violence, custody/divorce, and trauma. Duties included individual, family, and group psychotherapy as well as psychological testing for individuals, schools, the court system, the Department of Children and Families, and the Child Protection Team.

September 1990 - August 1991, Psychological Resident at Psychological Affiliates, Inc., Maitland, Florida. Duties included providing individual, family, and group psychotherapy as well as psychological testing for inpatient and outpatient individuals, schools, the court system, Department of Health and Rehabilitative Services, and the Child Protection Team.

September 1989 - August 1990, Psychology Intern, Nova University Community Mental Health Center, Coral Springs, Florida. Nova University CMHC provides outpatient services to the residents of west Broward County and provides an APA-approved pre-doctoral internship in clinical psychology. Duties included intake and psychological evaluations, and individual, marital, family and group therapy with a general outpatient population. Experience was also obtained in the Family Violence Program.

January 1989 - June 1989, Practicum Student, CPC Palm Bay Hospital, Melbourne, Florida. CPC is a 60-bed private inpatient adolescent hospital. Responsibilities included psychological assessment, parent training, and individual, group, and family therapy.

September 1988 – December, 1988 Practicum Student, Community Mental Health Center of South Brevard County-Twin Rivers Treatment Center, Melbourne, Florida. Twin Rivers is a 20 bed 28-day alcohol and drug inpatient treatment unit, which includes an outpatient aftercare component and serves an adult population. Duties included group psychotherapy, psychological assessment, and providing assessment feedback to the client and the treatment team.

January 1988 - August 1988, Practicum Student, Center for Student Development. CSD is the on-campus-counseling center of the Florida Institute of Technology and serves all students, staff, and faculty. Duties included psychological assessment, vocational and career counseling, individual therapy, and presentations on professional issues.

May 1986 - May 1988, Therapist/Assessment Technician, Colonial Clinic, Orlando, Florida. This is a private practice setting serving clients referred by Orlando General Hospital, two large corporations, physicians, and attorneys. Therapy experiences were obtained with children, adolescents, and adults. Relaxation training was provided to adults experiencing chronic pain, hypertension, migraines, and anxiety disorders. Duties included psychological assessment utilizing clinical interviews, behavioral observations, intelligence tests, achievement tests, objective and projective personality instruments.

January 1987 - April 1987, Psychology Intern, Lake/Sumter Community Mental Health Center, Eustis, Florida. Lake/Sumter CMHC provides a range of inpatient and outpatient services to

residents of Lake and Sumter counties. Duties included individual and marital therapy, assessment of substance abuse, court-ordered psychological assessments, and group therapy in a substance abuse day treatment program.

September 1986 - December 1986, Psychological Intern, ACT Corporation, Deland, Florida. ACT provides a range of inpatient and outpatient psychological services to residents of Volusia County. Duties included individual, family, and marital therapy, assessment of physician referred clients, and case management of clients diagnosed with chronic thought and affective disorders.

March 1986 - September 1986, Drug Counselor, Families In Recovery, Longwood, Florida. A private intensive outpatient program for adolescent substance abusers. Conducted psychosocial assessments to determine the extent of client substance abuse and to make recommendations to the court. Additional duties included managing the drug screening process and communicating with parents, HRS workers, and lawyers concerning case management.

B. FORENSIC

1991 – 2017, Expert Testimony in Broward, Lake, Orange, Osceola, Pinellas, and Seminole Counties on domestic relations, visitation, child abuse, sexual abuse, spouse abuse, and Munchausen By Proxy Syndrome.

C. ACADEMIC

January 2002 - Present, Adjunct Faculty, Barry University School of Law, Orlando Florida. Co-Teaching Collaborative Law class with attorney and judge. Previously co-taught Advanced Family Law course with attorney and judge. Regular participant as mental health neutral in Barry Pro Bono Collaborative Family Law Clinic since inception in 2012.

January 1999 – April 1999, Adjunct Faculty, Rollins College, Winter Park, Florida. Taught graduate course in Human Development.

September 1993 - December 1993, Adjunct Faculty, University of Central Florida, Orlando, Florida. Taught graduate level course on psychological assessment to students in clinical master's program.

May 1991 – May 1999, Adjunct Faculty, Nova University, Ft. Lauderdale, Florida. Teaching graduate level courses in a field-based master's program.

September 1988 - August 1989, Graduate Assistant, Florida Institute of Technology, Melbourne, Florida. Duties included teaching one Introductory Psychology I course, two Introductory Psychology II courses, and two Abnormal Psychology classes over three-quarters.

March 1988 - August 1988, Adjunct Faculty, Florida Institute of Technology, Melbourne, Florida. Contracted to teach Introductory Psychology II to undergraduate students.

PARENT EDUCATION PROGRAMS PRESENTED
